Construction begins August 3 on Museum Drive in Dickinson

Construction begins Wednesday, August 3, on Museum Drive in Dickinson. Work will consist of replacing of the existing asphalt street, curb and gutter, and sidewalk with a concrete street and new street lighting. Landscaping and a decorative sidewalk will also be installed for aesthetic purposes.

During construction:

- Access to all businesses will be maintained
- A width restriction of 9.5 feet will be in place
- Flaggers will occasionally be present
- Occasional one-way traffic may occur at night
- There is the possibility of gravel or dirt on the roadway

The project is expected to be complete at the end of October, weather permitting.
